Pope tells us to get up and go. No matter your age, this is your chance! If you are an experienced professional, business or trades person, in any area, volunteering with Palms Australia is an opportunity that will change your life. Communities in Asia, the Pacific and Africa are looking to provide mentoring opportunities for local personnel and to improve processes and procedures for organisations, both vital to reducing poverty. To ensure sustainable development they prefer those who can come for two years, but accept that some are only available for 12 months. If you want to find out more, please contact Christine on 02 9560 5333 or email palms@palms.org.au
